## Check Facebook for Updates on ABO

and patients, and much more.

If we encounter a winter snow storm and you aren't sure if we are open, please go to our Facebook page. Social media (Facebook) is the fastest way for us to get an update to everyone. We will also send out an email if we need to close the office (but haven't had to do that in quite some time...at least for bad weather!). Be sure to like and follow us on Facebook. We post fun and informative posts multiple times a week. It's a great way to learn about contests, get updates, see pictures of our staff

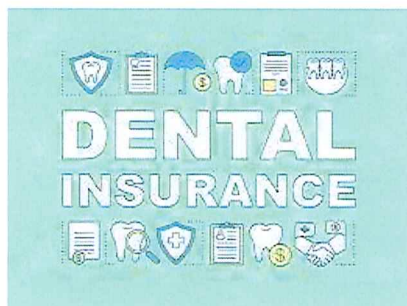

## We Appreciate the Great Reviews!

The highest compliment we receive is the referral of families and friends by great patients like you. If you are pleased with the care you have received, please leave us a Google review! Here are the direct links: Fort Wayne is

<https://angelabecker.com/fwreview> and Huntington is  
<https://angelabecker.com/huntingtonreview>.

## New Year, New Insurance?

Did your insurance change at the beginning of the year? If so, please be sure to contact the office and update your information so they can help you take advantage of all your benefits. Also, if you need an itemized receipt for 2020 please contact the office and we'll be happy to assist you.

## You Can Be a Virtual Winner!

We are currently having an online Valentine Emoji contest through our Patient Hub. Go to our website, [angelabecker.com](https://angelabecker.com), then go to the

## COVID-19 Update

We want to once again thank our patients and their families

for their understanding and cooperation in dealing with the changes we have all had to face in dealing with the COVID-19 pandemic. For the foreseeable future we will continue to have all patients, or a parent if the patient is under 18, fill out the Covid Consent & Release form and have temperatures taken for all appointments. The forms are available on our website for your convenience and can be completed within 48 hours of the appointment. Please brush before you come, wear a facemask when entering the building, and maintain social distancing. Parents are encouraged to wait in their vehicles and a technician will call following your child's appointment to give an update and answer questions before transferring the call to one of our appointment coordinators to schedule the next appointment and take care of any financial transactions. The staff will continue to have their temperatures taken daily, wear PPE, and follow all recommended infection control protocol. An important reminder: if you have been sick (even non-Covid illnesses) or have been quarantined, it is time to replace your toothbrush! We want everyone to stay safe while we continue to create beautiful smiles!

Swipe 'n Smile Login and login using your ID# and pin# on your Swipe 'n Smile card. Play along and guess what the Valentine emoji's are and earn 5 smile points. The winner will receive 25 additional points! The contest runs through February 14, 2021. Congratulations to Eli O. for being the winner of our virtual Christmas Song Emoji Contest!

#### Halloween Candy Buy-Back

Thank you to all who brought candy to our Sweet 16<sup>th</sup> Great Candy Buy-Back. We weren't sure what to expect with all the changes this year but are happy to report we collected over 140 pounds of candy! The candy was sent to our military heroes via Operation Gratitude and some of our local heroes at the Indiana State Police. And yes, we included toothbrushes with the candy!
